

PULAGURTHA

Pulugurtha also known as the humble abode of “ Malkha ”, a new cotton variety. The Malkha sarees are the most favourite for our leaders like Sonia Gandhi, Mamta Banerjee and Pratibha Patil. Many of the weavers in this tiny village in East Godavari district have converted their looms into Malkha looms and have been depending on Malkha for their livelihood. There is no dearth of work orders here but due to the pandemic and lack of logistics, sale has slowed down. Let us make a difference to them with our purchase. **For any Malkha fabric, Towels, Dupattas or Sarees, Please contact Pulagurtha handloom society - Giri +91 98496 47003 and Siva +91 96761 66736** For any doubts or queries please contact any member of the Crafts Council of Andhra Pradesh.
