

BLOCK PRINTING
&
HAND PAINTING

Khemraj ji is in block printing business since 22 years and has expertise in the textile business. He has been working with block printers constantly and started his own block printing unit in Chattisgarh. He is manufacturing different sarees as well as dress material over many years. One of the main expertise is their hand painted sarees and suit materials. Fabrics such as tassar silk is used for printing and painting process. He is catering to different retailers and middlemen in the business. The enthusiastic nature to adapt in any condition makes him what he is right now.
