Kashmiri Papier Maché Naqqash

Iqbal Wani is a traditional papier maché craftsman (Naqqash) from Srinagar. Within the Naqqash community, Iqbal and his brothers specialise in relief art on Papier Maché. At this time, Iqbal and his family would benefit immensely by sales of stock available with him. He is also open to orders. In the next pages are a small selection of available products, most produced and designed with **Commitment to Kashmir**, a trust devoted to the support of the crafts of the Kashmir valley.
